# I. Summary

---

## A. Context

SelXPress is an online marketplace platform. It offers both a front-office interface, accessible to customers, a back-office interface accessible to sellers and operators, and an API for managing data transit.

The SelXPress front office provides customers with user-friendly, secure access to purchase a variety of products. Users can browse a comprehensive list of items, filter results according to their preferences, view detailed product sheets, add items to their shopping cart, make secure payments and view their order history.

## B. Teams

Front Developers

## II. Identification

---

### A. Register

To sign up, you have to enter the below required information in the sign up view. Your password **must** have **8 characters** at least.

The screenshot shows the SelXPress Sign Up form. At the top is a blue header with the SelXPress logo. The form is a white card with the title 'Sign Up'. It contains four input fields: 'Username' (placeholder: 'Enter your username'), 'Email Address' (placeholder: 'Enter your email'), 'Password' (placeholder: 'Enter your password'), and 'Confirm Password' (placeholder: 'Confirm your password'). Below the fields is a 'Sign Up' button and a link that says 'You already have an account ?'.

If a required field is missing or your password is too short you will see this error message:

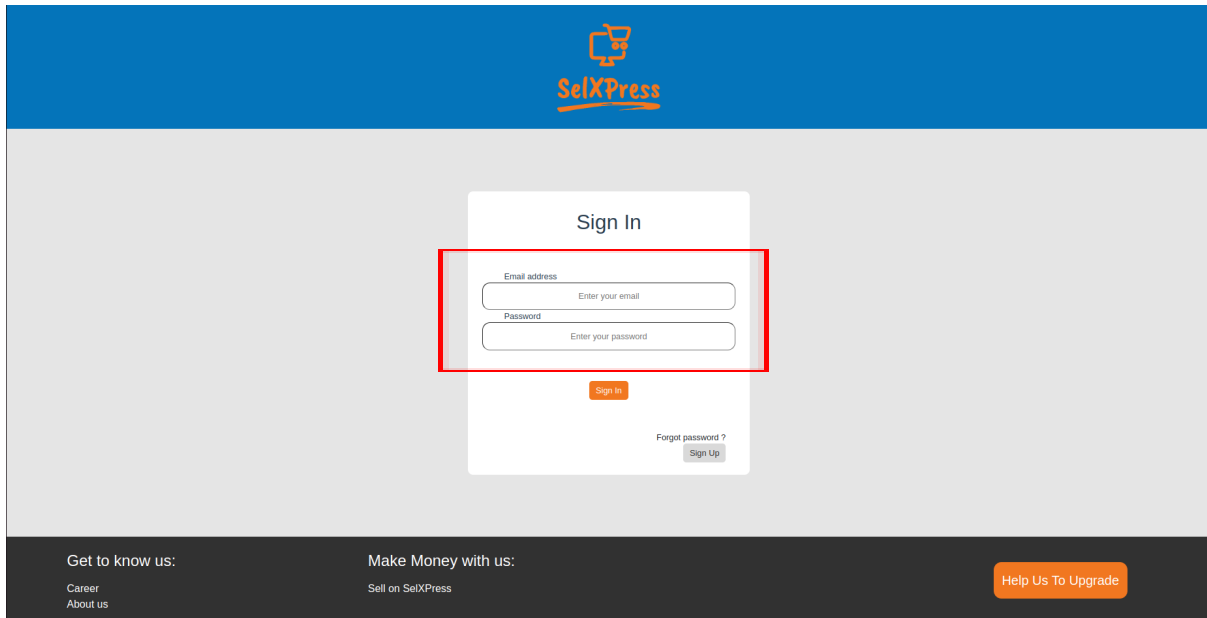

Else, your registration will success and you will see this validation message:

## B. Login

To sign in, you should enter the following information: **Email** and **Password** in the login view:

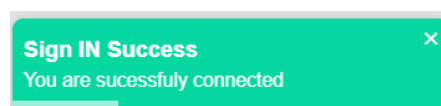

The screenshot shows the SelXPress website's login interface. At the top is a blue header with the SelXPress logo. Below it is a light gray background with a white 'Sign In' form in the center. The form has two input fields: 'Email address' with the placeholder 'Enter your email' and 'Password' with the placeholder 'Enter your password'. A red rectangle highlights these two fields. Below the fields is an orange 'Sign In' button. To the right of the button is a link for 'Forgot password?' and a gray 'Sign Up' button. At the bottom of the page is a dark gray footer with links for 'Get to know us:' (Career, About us), 'Make Money with us:' (Sell on SelXPress), and a 'Help Us To Upgrade' button.

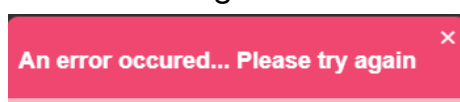

This image is an annotated version of the Sign In form. The 'Email address' field contains the text 'sellermaster@gmail.com' and the 'Password' field contains a series of dots. The orange 'Sign In' button is highlighted with a red rectangle. A large white arrow points from a speech bubble on the right towards the 'Sign In' button. The speech bubble contains the text 'Click on the Sign In button to Sign IN'. Below the password field, there is a 'Forgot password?' link and a gray 'Sign Up' button.

If all the required fields have been filled out correctly and the sign-in process is successful, you will see this message:

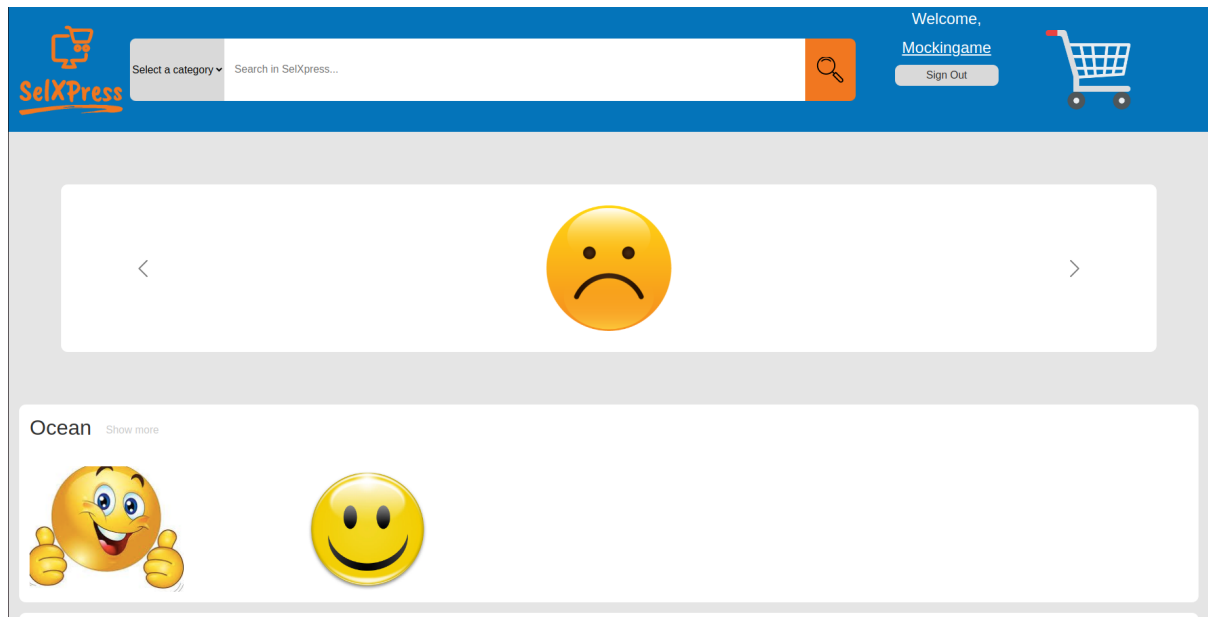

A green success message box with a close button (X) in the top right corner. The text inside reads: 'Sign IN Success' and 'You are sucessfully connected'.

Otherwise, you will receive this message:

A pink error message box with a close button (X) in the top right corner. The text inside reads: 'An error occured... Please try again'.

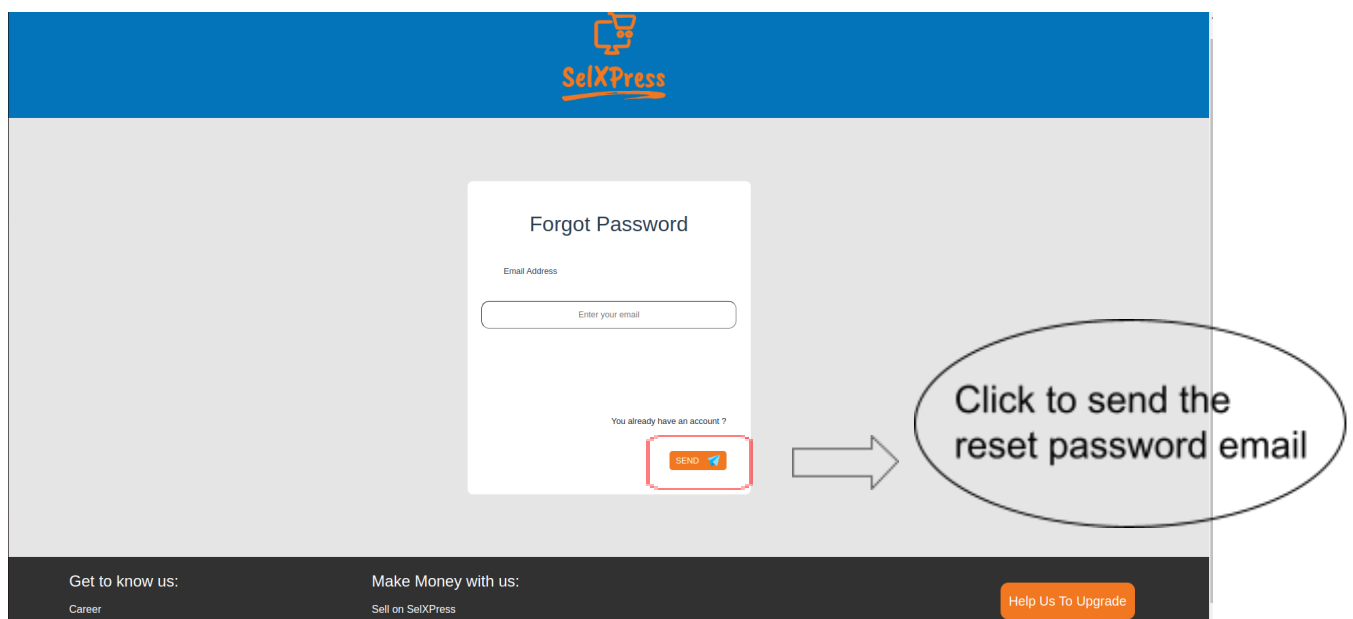

And the home page will appear in front of you. Notice that it is not required to be logged in to access this page:

(If you don't see your username below the '**Welcome**' message, please reload the page to make it appear.)

## C. Forgot Password

If you've forgotten your password, **DO NOT PANIC!!** On the 'Forgot Password' page, simply enter your email address, and you will receive a password reset email via Firebase.

If all the required fields have been filled out correctly an email was sent to the email you entered in the field and you will see this message:

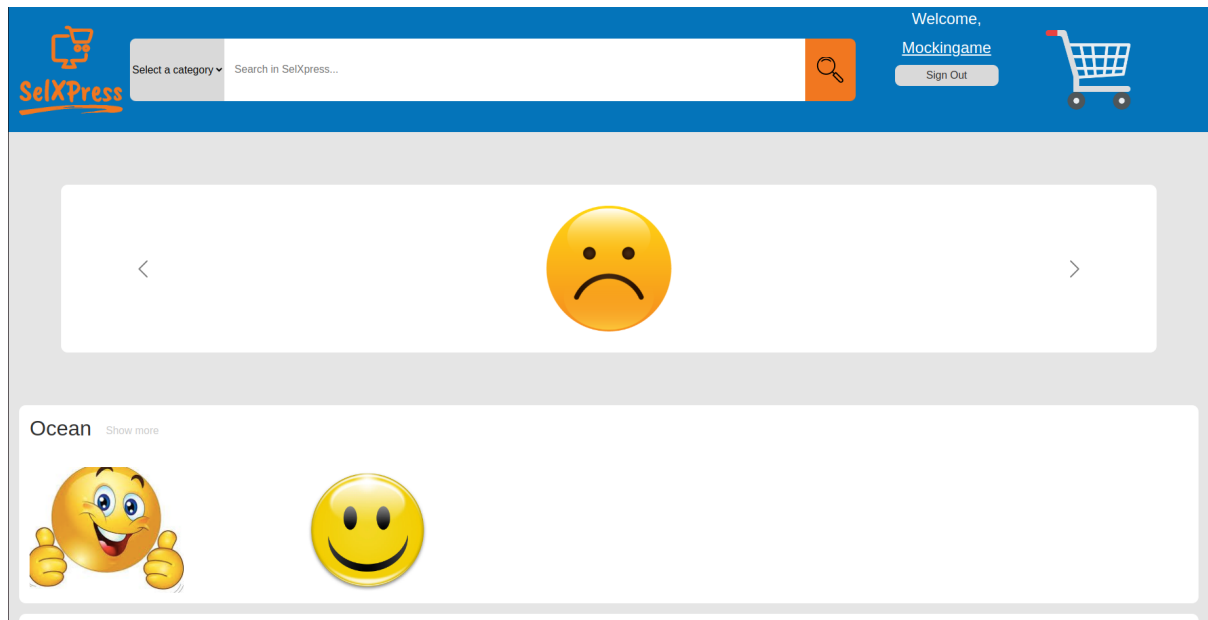

Otherwise, you will receive this message:

### III. Home

The home page lets you view all **the products available on the marketplace**:

#### A. Search for a product

You can filter the products by name and category in the header bar.

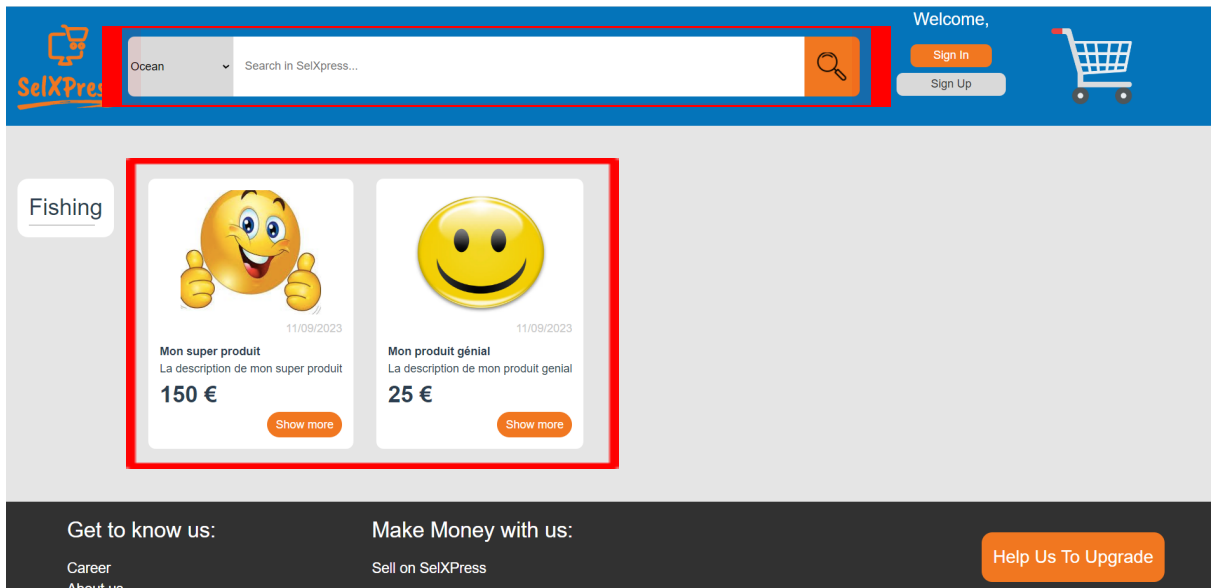

There's toast info if you're looking for an article without category or name.

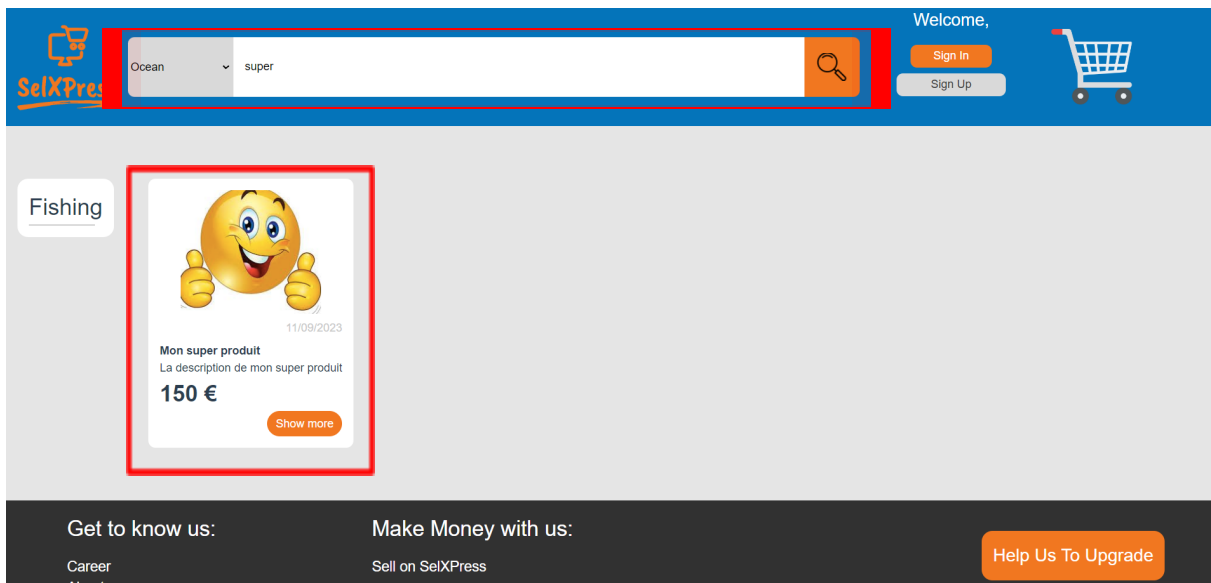

If you search by category only, you have access to all the products in the category.

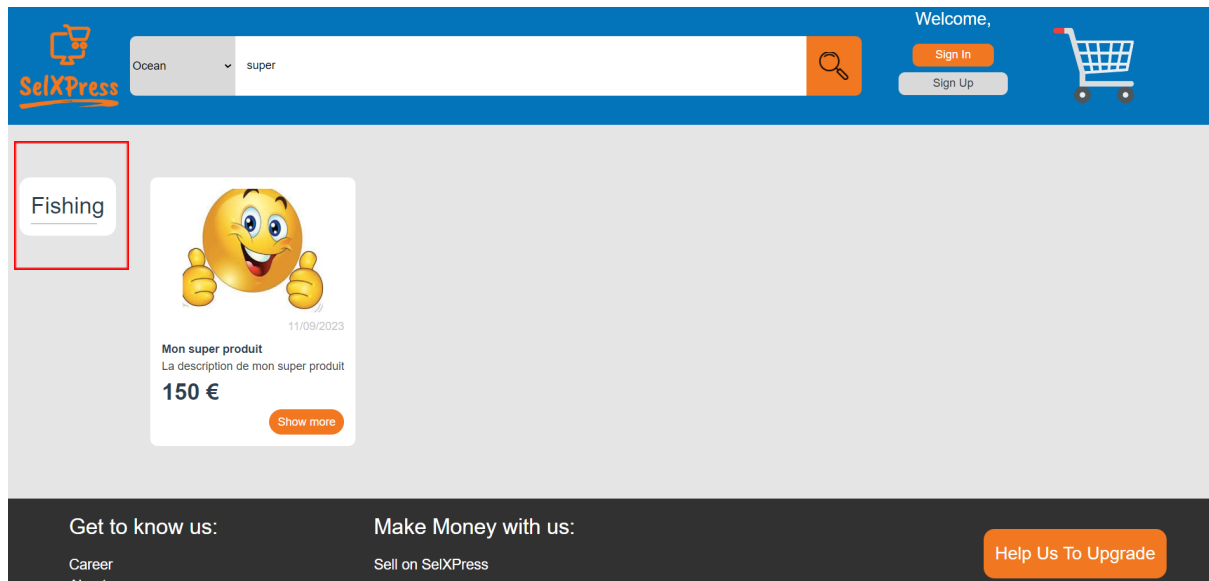

If you search in the category you get all the products in the category that contain the search in its **title** or **description**.

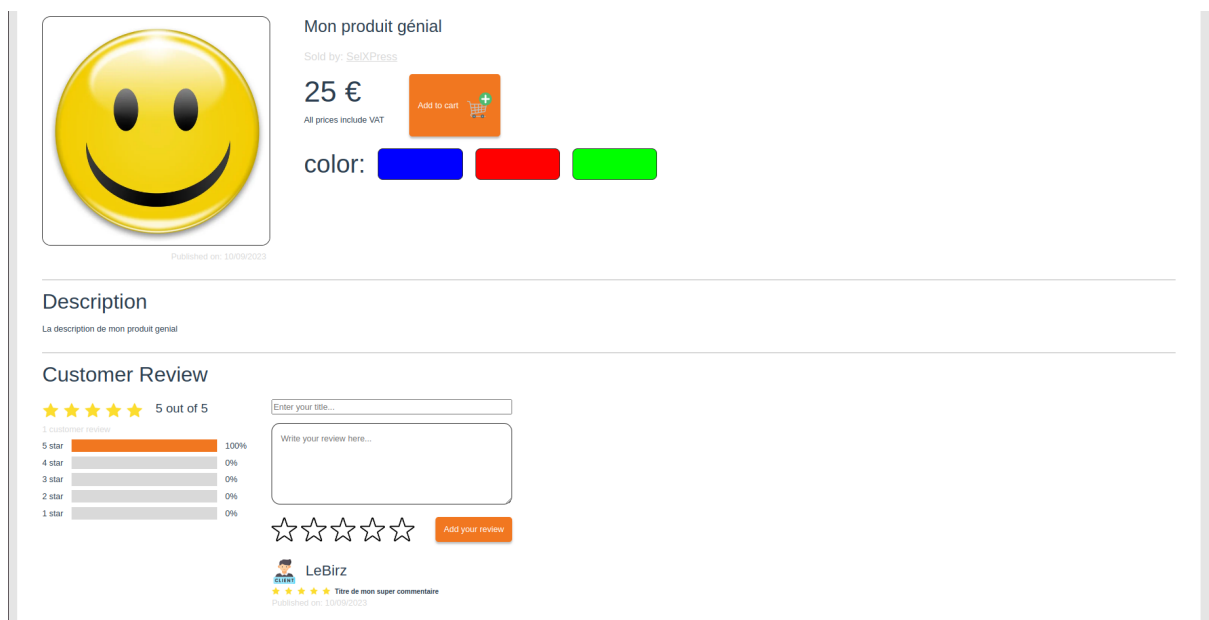

On the left of this page, you can see all the tags that are associated with the category. In future patches, you'll be able to filter category products according to their tags.

## B. Add a product

You can click on any product to have a detailed view with more informations about it:

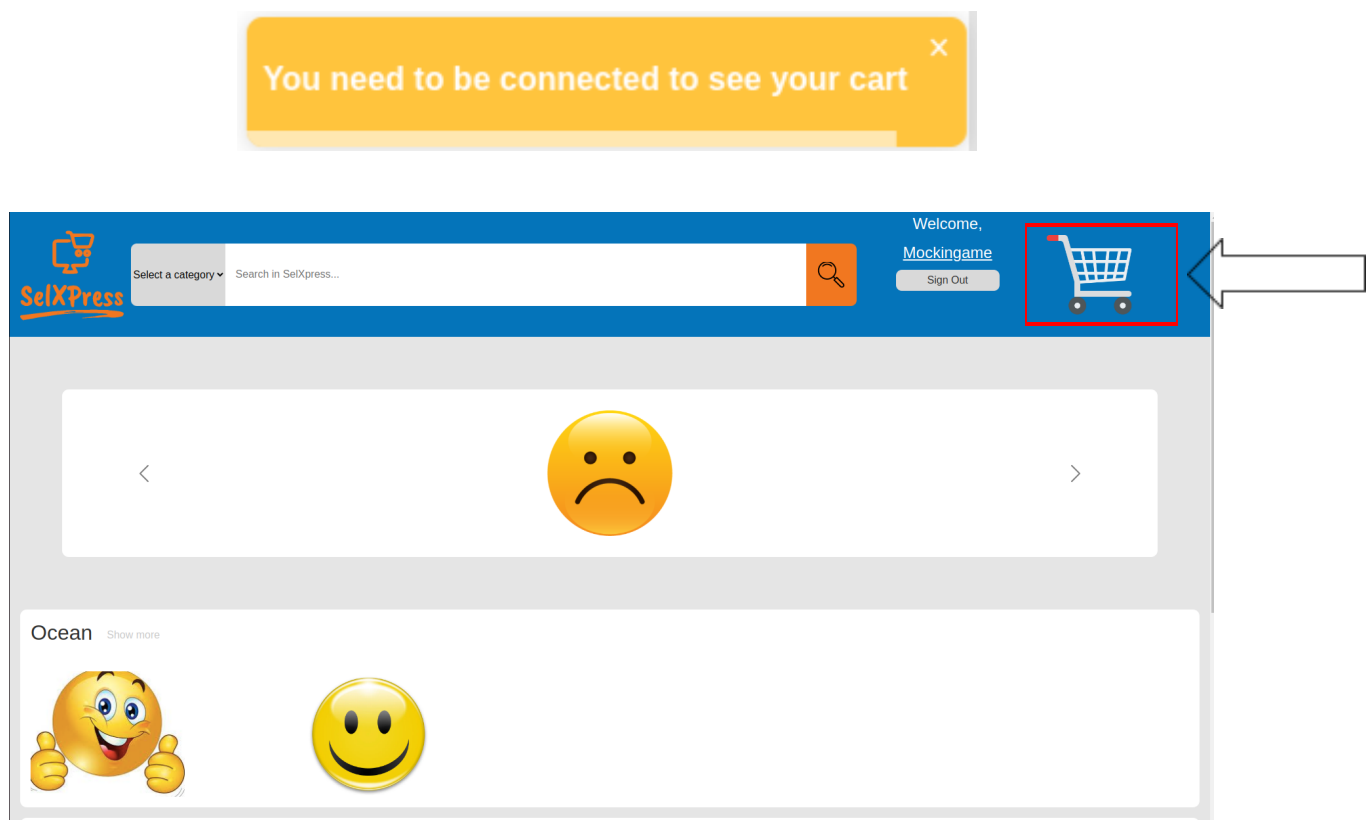

This view lets you add a product to your cart, see the marks allowed to this product and the reviews from other users. You can give your own review as well.

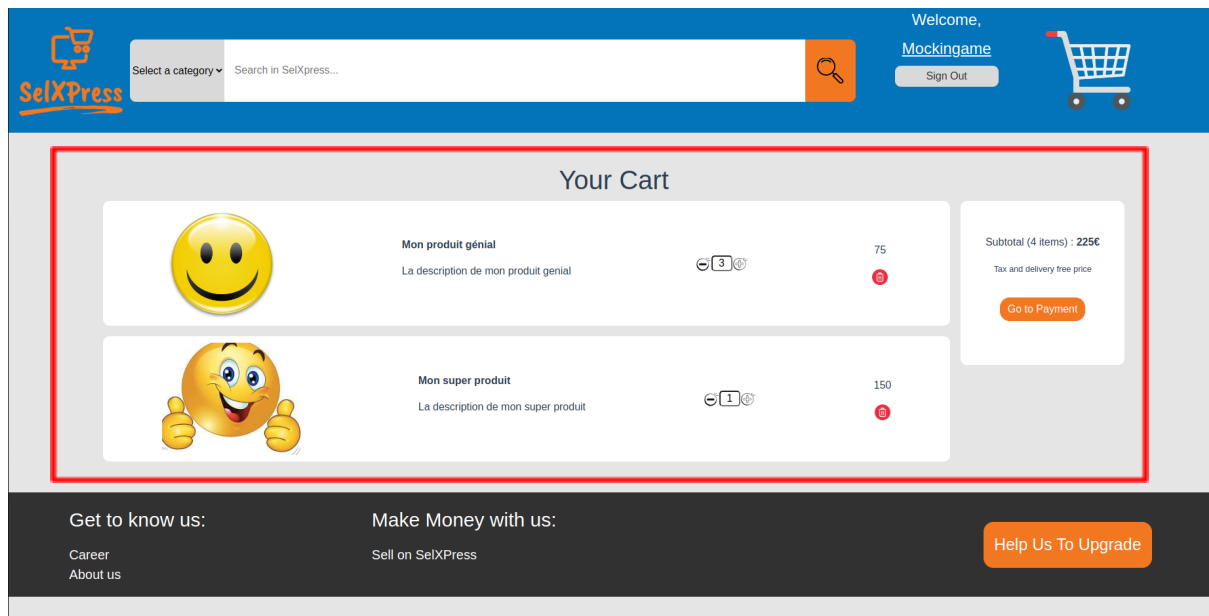

In future patches, you'll be able to choose the attributes you want for your product.

### C. Validate your cart

Click on the cart in the top right hand corner to access the cart summary.

You have to be authenticated in order to proceed to the page:

Here you can **add** a quantity of an item and also you can **delete** it by clicking on the bin.

Once your choice is done click on “**Go to Payment**” buttons to complete your order.

You need at least one item in your cart to complete it:

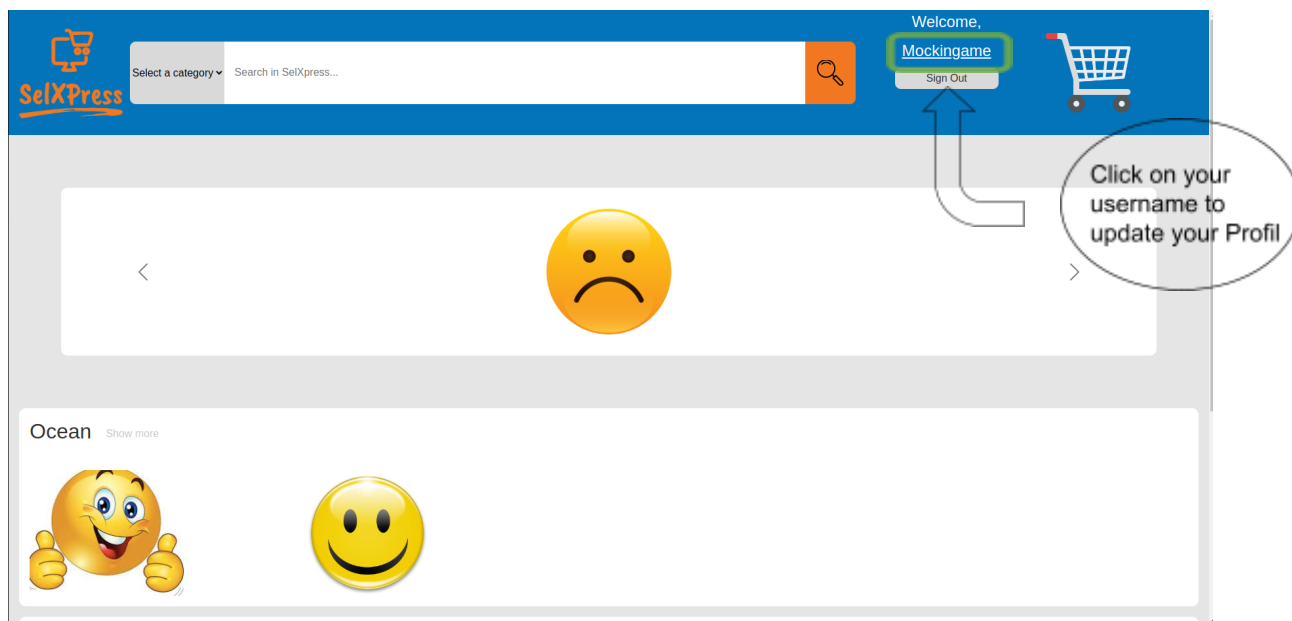

A **PSP (Payment Service Provider)** will further be implemented in order to handle financial transactions within the marketplace

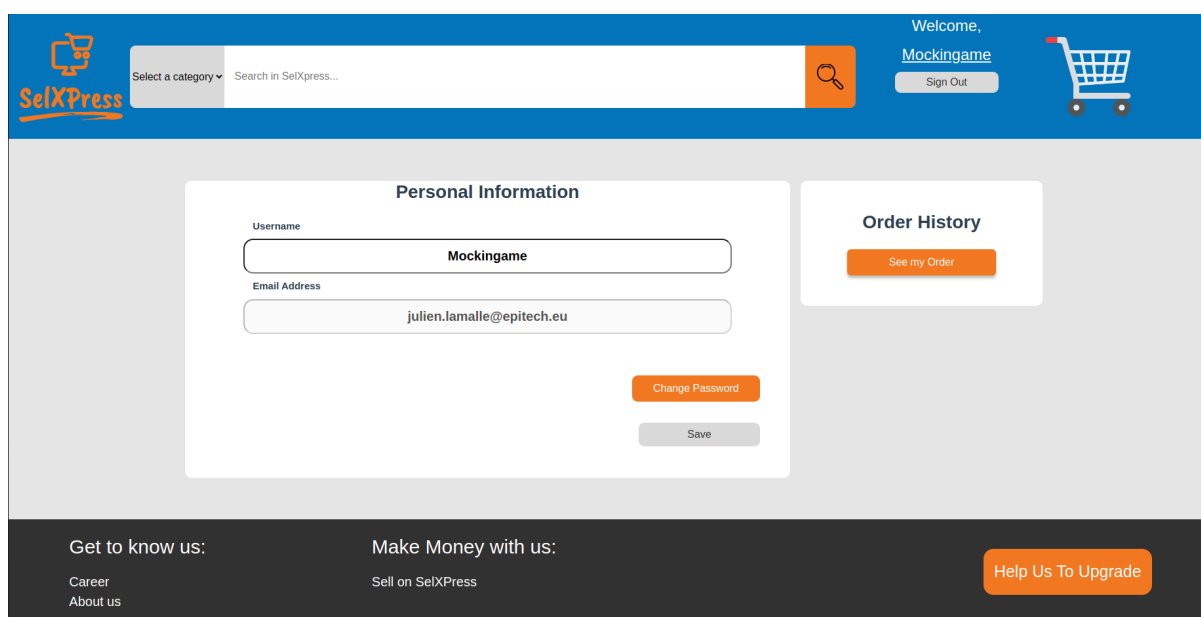

## IV. User Profil

### A. Update my Profil

With the Back Office, you can modify your user profile by clicking on your **username** in the Header.

Through this view, you can modify your username and click on the '**Save**' button to modify it:

If all the required fields have been filled out correctly your profile is updated successfully and you will see this message:

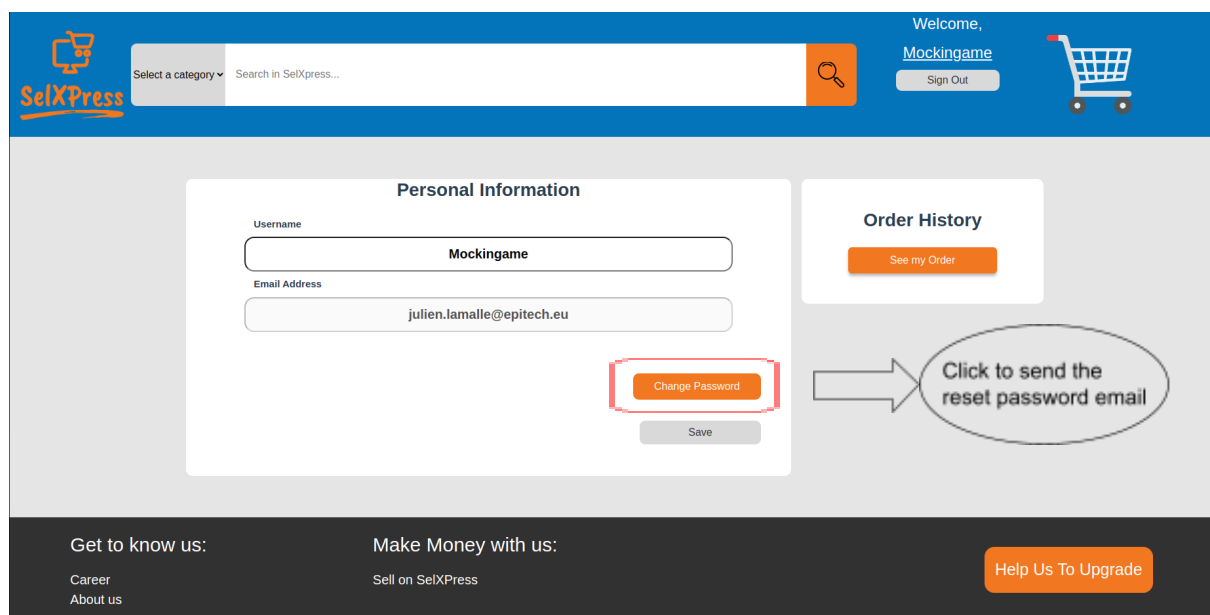

Otherwise, you will receive this message:

## B. Change Password

Through this view, you can also change your password by clicking on the '**Change Password**' button:

If everything is ok, an email was sent to the email you entered in the field and you will see this message:

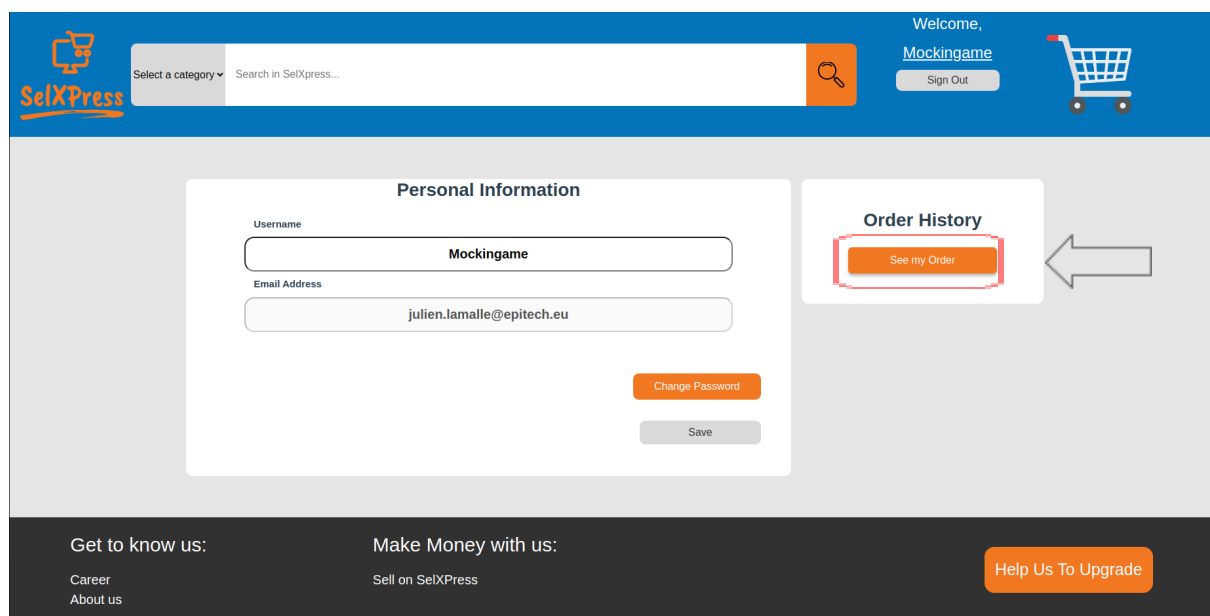

Otherwise, you will receive this message:

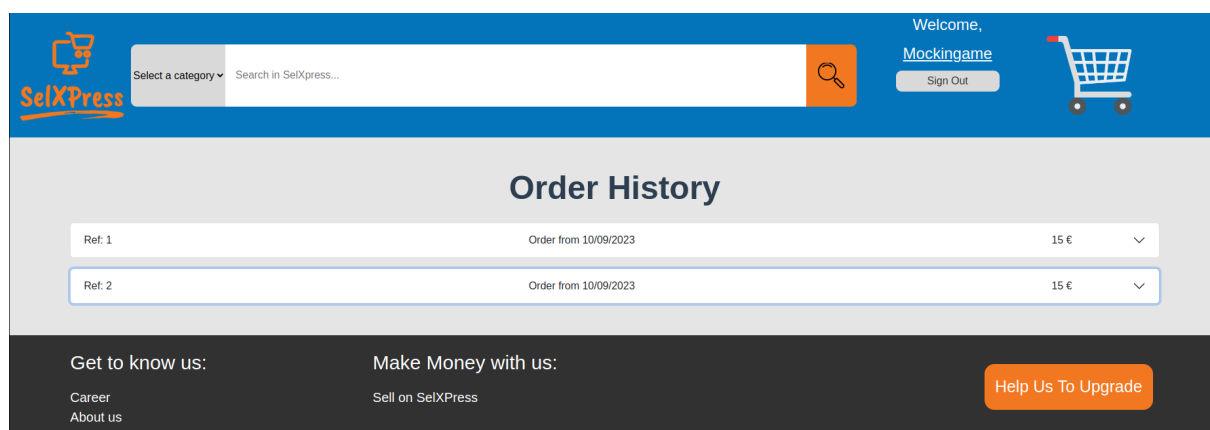

## C. Order History

Clicking on "See my Order" you can access to your orders history

Here is the list of your past orders:

You can click on an item to get more details as the products and quantity you bought:
